INFORMATION: Deputy Director for Administration
DCI Administrative Officer

FROM: Chief, Administrative Staff, ICS

SUBJECT: Commendation for Support Provided for the DCI Senior
25X1 Management Conference 27-28 June 1985

25X1 Once again the Intelligence Community Staff would like to thank and commend OTE administrative personnel for their outstanding conference support, this time for their work on the DCI Senior Management
25X1 Conference on 27 and 28 June 1985. This is the fourth such
25X1 DCI conference and this latest one was supported just as flawlessly as the previous three. As usual, there were a host of unique requirements, such as accommodating military aircraft, the care and feeding of senior officers, constantly changing participants, and rapidly
25X1 changing schedules; as usual, OTE administrative personnel patiently endured, and satisfied, all of our requirements.

25X1
25X1 Our special thanks go to and members of the OTE
administrative office, and to and the support staff
25X1
